MEMORANDUM FOR: Director, Foreign Broadcast Information Service

FROM: [redacted] 25X1
Director of SIGINT Operations

SUBJECT: Transfer Request - [redacted] 25X1

1. Our office has received and reviewed the personnel file of [redacted] A subsequent interview was conducted by 25X1
a representative of this office and as a result we have concluded that his language credentials qualify him for an overseas assignment with the [redacted] Based upon 25X1
his multi-lingual skills, he would be a candidate for assignment at a number of locations where there will be vacancies in late 1983 early 1984. Prior to his deployment to one of these locations, he would need extensive operational/technical training. This training together with the time required for processing is estimated to be about 12 months. [redacted] 25X1

2. Due to our present personnel ceiling problems, we find ourselves unable to propose transfer until the beginning of the new fiscal year, unless your office would be willing to detail him to us for formal and on the job training prior to then. If this is acceptable to you we propose his detail to us as soon as it is feasible, and official transfer and change of career cognizance to the RS service on 1 October 1982. [redacted] 25X1
